

Comments	Lane 1	Lane 2
Practice is open to swimmers aged 9+ -- Limited availability. Lanes will be assigned based on swimmers' abilities. Intended to assist "camp families" or those with children in multiple age groups.	7:45-8:45 Mixed practice	7:45-8:45 Mixed practice
This will allow families with multiple aged-group swimmers to condense the amount of time they need to spend at the pool during their practices.	8:45-9:15 ≤6 swimmers (non-pups)	8:45-9:15 ≤6 swimmers (non-pups)
Pups are "swimmers" who cannot yet swim 25 yards. Children will be taught in small groups (no flotation devices are used). Private lessons are also available from the swim staff.	9:15 - 10:15 9-10 year olds	9:15 - 10:15 9-10 year olds
Some of these swimmers will be working with our pups (hence the sessions being next to each other). Additionally, these swimmers will assist in removal of the lane lines at the end of the morning practices.	10:15 - 11:00 11-12, 13-14, and optional for 15+	10:15 - 11:00 11-12, 13-14 and optional for 15+
9pm-10pm practices on Monday, Tuesday and Friday (on non-meet nights) will be available to all swimmers 13 and older (primary practice for 15+).
